

Enter for a Chance to Win a FREE MiniOne[®] PCR System!

Bring hands-on PCR labs into your classroom...FREE!

Sign up for your chance to win a FREE 16-sample MiniOne PCR System* to bring back to your classroom so that your students can experience the excitement of DNA amplification experiments.

To enter for a chance to win a FREE MiniOne PCR System, download, print, complete, and bring the form to our booth (Georgia World Congress Center, B210) at NSTA 2018 during exhibit hours.

The winner will be notified by phone or email and arrangements made to ship the unit.**
